Directions:

From St. Jacques: take Cavendish all the way to Mackle (you will see the Cavendish Mall)
Turn left on Mackle, you'll see Maimonides. It's the tall grey/white building in the area.

There is a big parking lot in front. You could come through that entrance.

If you're taking the bus: take the 161 from Plamondon, and get off on Kildare and Caldwell. It's a 2 minute walk to Maimonides.

When you arrive, the **Synagogue** is on the first floor-street level. If in doubt, ask reception or Security.
